HIGHLIGHTS:

Attached is ARNG SRIP Policy 06-04 for 27 January 2006 through 31 May 2006. The Director of ARNG, LTG Vaughn, decided to maximize incentives for this time period in order to best assist the ARNG R&R Force.

Due to fiscal constraints, the bonuses offered in this policy can only be offered until 31 May 2006. Failure to meet our end-strength goals may cause reductions or elimination of the bonuses offered within this policy.

Below are a few highlights of the policy:

1. The maximum NPSEB is now \$20,000 for the following NGB identified MOSs: 11B, 88M, 31B, 21B, 13B, 92A, 63B, 91W, 92G, 92Y.
2. NGB has approved an additional 20 MOSs for each state/territory to receive a \$15,000 NPSEB. (\$5,000 Quick-Ship/Off-Peak bonus can be added)
3. Other NPSEBs are available in varying amounts based on whether or not the Soldier receives the Quick-Ship or Off-Peak Bonus. The total NPSEB cannot exceed \$20,000.
4. The Enlisted Affiliation Bonus is increased to \$20,000 for 6 years and \$10,000 for 3-years. It is no longer calculated based on number of months Remaining MSO.

5. The Officer Affiliation Bonus is increased to \$10,000. The Officer Accession Bonus remains at \$6,000. (in accordance with NDAA FY06).

6. The payment schedule for the Re-enlistment/Extension Bonus is now 50%-50% rather than Lump Sum. (This was necessary to save funds in this FY)
